WINTER 2021-2022

Desk of Supreme Chancellor

As we come to the end of yet another year, let us reflect on what was a very unusual time. A convention that was a year late. A convention without our beloved sisters, whom we missed greatly. But a convention well done by Joel's committee.

We are still having to contend with covid and health officials who are still trying to control everyone. Talk with your doctor about the vaccine that is available and continue to practice good health when at home and when out in public. We will all get past this.

I hope everyone is having a good holiday season and that you are looking forward to the year ahead of us.

Supreme Chancellor's Message

Cont. from front page

We have lots work to do, but we have the people who are willing and capable of growing our order during this next years. We have started new lodges in several domains this year and will be starting new ones in the coming year. If everything works out, we may soon have a new lodge(s) in the Philippines.

I am looking forward to a very prosperous and healthy year for all our sisters and brothers. Please assist me and the leaders of all our orders in making the future bright. Do not forget to "ASK" people to join our order. Until next time be safe and give a hug to those dear to you.

STAY SAFE! STAY HEALTHY!

*From the
Supreme Secretary's Desk*

Brothers, Sisters:

Hectic is a good word for the time constraints we've been under, playing "Crunch Time" is another good term. Under normal circumstances, we have two years between Supreme Conventions, two years to compile and mail the Journal of Proceedings, two years for the Supreme Chancellor to begin formulating his plans for the Supreme Convention – that information is part of the Supreme Lodge Manual that is mailed to the voting members in June of the year the convention is held.

However, this term is quite different. Instead of the usual two-years, we have less than a year to compile all of that, plus more. The Journal of Proceedings has been completed and has been mailed – You'll note, it is quite a bit heavier than normal as it contains the information for three-years: Instead of the minutes of five Council Meetings, there are seven; instead of the usual number of Officer Reports, and financial reports, there are many more – and the cost of printing and mailing was well above the normal. On the other hand, the printing and distribution of the next journal should be considerably less costly due to the shortened length of the term.

We are trying to have an issue of Pythian International out every two months – for the most part we've been successful. The idea is to get the information out while it's appropriate, fresh, and helpful to the membership and the Grand Lodges/Temples. Now that things seem to be opening, more newsworthy stories are coming in, and this

issue is no exception. There is no cost for this publication, it's free, so please spread it around, through your domain/jurisdiction, your lodge and your temple. Let our brothers and sisters know, **Pythianism is alive and well.**

Please remember, the Rathbone Bible is available for your Rank of Knight. Somewhat disappointing is that not many domains have requested it. If your domain is interested, please contact the Supreme Lodge office at 781-436-5966, feel free to leave a voice message if after hours or email to supremelodgekfp@comcast.net. The Bible has been reserved for Founder's Day 2022.

I'm asking the Grand Secretaries for a favor. Please send the list of your newly elected and installed Grand Lodge Officers to the Supreme Lodge within the required 10-day statutory requirement. This Supreme Secretary is weary of hearing from members of various domains telling him that the listing of officers from their domain is not current – I am able to update only based on information I receive, to which that information should come from the Grand Secretaries. When the Supreme Directory is reissued (that happens several times a year) it would be a good idea for the Grand Secretaries to review the information that was sent and that has been modified.

All of the required forms are emailed to the Grand Secretaries well in advance of their Grand Lodge Conventions.

I would like to wish all my Pythian Brothers and Sisters the very best for a happy, healthy Holiday season and a Happy, and Prosperous New Year. May 2022 be the best yet!

STAY SAFE!

Fraternally,
Allen S. Morris, KGS

*From Supreme Secretary
Connie Edwards*

Greetings from the Supreme Temple Secretary:

Just when things were starting to look up and we were able to have family gatherings, visits with friends and have our Pythian meetings, we were hit again. This is the third form of the COVID virus. I hope everyone is being careful when gathering and please keep wearing your masks.

I'm looking forward to the 2022 Supreme Convention to be held in Charleston, SC this summer. My late husband, Rocky, and I visited Charleston many years ago, and I'm looking forward to visiting Charleston again. The committee is busy at work making plans, lining up events for our enjoyment. So, plan on attending the convention.

In closing, I would like to wish all Pythians a Happy Holiday Season with Family and Friends. Please play it safe, be careful and wear your masks and enjoy your Holiday events.

Happy Holidays!

In P.L.E. & F
Connie F. Edwards
Supreme Temple Secretary

On Sunday, September 12, 2021, Franklin Lodge No. 2, the oldest existing lodge in the Knights of Pythias, Knighted its first female, Knight Amy Cornell of Cranbury, New Jersey. Franklin Lodge No. 2 has been in continuous existence since its founding on April 14, 1864 in Washington, DC. Since Franklin Lodge pre-existed the Supreme and Grand Lodges, upon the creation of the Grand Lodge of DC it was chartered by dispensation on August 13, 1867. Franklin's charter is also the original charter for a subordinate lodge in the Order. At the present time, Franklin Lodge No. 2 holds its monthly meetings in Somers Point, NJ and operates under the jurisdiction of Supreme Lodge.

The first lodge of the Knights of Pythias was Washington Lodge No. 1 but consolidated with Franklin Lodge No. 2 on October 9, 1865. Pythian History (1904) by William D. Kennedy states: "As for a considerable period, Franklin Lodge was the sole representative of Pythian Knighthood, thus became the mother lodge." (page 464)

In addition to holding the original charter of the Order, Franklin Lodge owns and cares for the Bible used to initiate President Franklin Roosevelt at the White House in 1936, the Bible is autographed by the president with the date of his initiation. Franklin also has the altar used at the White House during the initiation.

In preserving the past Franklin Lodge very much promotes Pythianism in the present, the initiation of the lodge's first female knight points to the members interest in expanding the goals of Pythianism to new people. Franklin works with supporting the local Boy Scouts, Somers Point Troop 55, recently honoring Eagle Scouts with the Supreme Lodge's Eagle Scout certificates. Since COVID members of Franklin Lodge have been donating food and time to the local Ecumenical Food Bank, helping families and individuals in need.

INDIANA IN THE NEWS

A Three Rank Day was held on November 6th at Thorntown Lodge #124 with Brothers attending from all over Indiana. It was a great day of Pythian fellowship and awesome food prepared by Stookey's Restaurant for our noon lunch. We say WELCOME to the newest Knights of Indiana who are pictured above from L-R: from Brotherhood Lodge #3-5-7 are Knight DAVID ROTH, Knight CESAR GARCIA and Knight SENNETT JOHNSON and on the far-right Knight WESLEY MIKESELL of Thorntown Lodge #124. Again, we are proud to have you as our Pythian Brothers! Congratulations to Thorntown #124 and Brotherhood #3-5-7 on continuing to grow the membership of your lodges!

Jeff Strahan; Gary Griggs; Denny Adams; and Richard Neal of Crescens Lodge #33 in New Castle, present two members of the New Castle Fire Department with checks totaling \$1,800 from their recent Car Show for the benefit of the NCFE Children's Christmas Fund. Kids get \$125 to go shopping for Christmas so this donation goes a long way to help the cause. This marks the 15th year the lodge has sponsored the car show for the NCFECCF.

CRESCENS LODGE #33 – NEW CASTLE, INDIANA

New Castle, IN - Crescens Lodge #33 of New Castle, IN annually sponsors a Holiday Festival for our community. The first event of the festival is the Car Show and Chili cook-off for the benefit of the New Castle Firefighter's Children's Christmas Fund. Children are given \$125 each to go Christmas shopping at the local Walmart. Santa and Mrs. Claus are there to help them to make their choices. This year Crescens Lodge was able to donate \$1,800 to the fund. There were over a dozen vendors selling their products, plus the food that was sold and the 98 cars that were in attendance made a beautiful fall day a huge success for the NCFCCF!

The second event of the Festival is the largest undertaking of the year for the lodge outside of the lodge building. November 20th was the 32nd Annual All American Knights of Pythias Christmas Parade for New Castle. This is the official arrival of the Christmas Season and the arrival of Santa and Mrs. Claus into town and into their headquarters in the Pythian Building. Santa, a.k.a. Grand Secretary of IN./Supreme Chairman of Finance Denny Adams, Mrs. Claus, a.k.a. Santa's daughter PGC Jodi Goff were accompanied this year by the Crescens Lodge Mascot "Floppy"/ the Bassett Hound. The lodge has a flower and gift shop, "Tis the Season", in its building that is used for income and keeps the membership hoppin' all year long!

The third event was just conducted on December 5th. It was the 31st Annual Kris Kringle 4 mile run and 3 mile walk. This event is held in memory of Brother Tom Hiner, who started the event many years ago. It is conducted in our beautiful Memorial Park north of town.

The final event is a Christmas lighting contest for all of the homes and businesses in our county. It is a great way to encourage folks to get involved and help celebrate Christmas. The lodge has become very well known in the community for its Christmas charitable endeavors.
